I am sure that all Indians at some point in time or another will come across someone who asks "Hey! Do they speak English where you live?". I don't think it is even a joke. I took it seriously and said "Yes, we speak and write English fluently, we also know Hindi and we can even speak it if we want to." That's really not the way they think – apparently – because they just kept on asking more questions that showed that they were convinced that I was an alien from another planet or something like that! So here I am, writing about different languages spoken in India, considering I live in India and all. So if you really want to know about Indian languages then this is the topic on which you should read more about. Hindi film songs are really famous across the world and people find them interesting to listen and sing as well. So whenever I get a call, I am amazed by the number of people who ask English-speaking questions. Let me make this clear; I don't actually think that they are stupid or that they are doing it deliberately (actually, there might be some who do that). It's just that they haven't been to India before and they haven't experienced the fact that you can go to any part of India and get by without speaking the local language. So if you really want to know about the popular languages in our country, then stick with me while reading this article. India is a country where 22 official languages are spoken. I can't really list all of them here. So I will just mention the most common ones. Hindi is the most common one, English is the second most common language spoken in India. And then there are several other languages spoken across India. If you are reading this article, then you must have heard about regional movies being broadcasted on TV channels across India. However, what you might not know is that there are a few Indian languages which are hardly heard anywhere else. Do let's find out about the regional languages in India with this article. So with this article, I will be listing out the most popular Indian languages followed by their respective numbers of speakers. So if you want to download movies from Hindi movies free, then this article is for you. In my school days, we were most concerned about making our marks increase from one year to another and getting into college / university or any other similar places but now a day youngsters is among those who are more concern over getting good marks in their exams so as to gain admission in the prestigious colleges and universities of India.
